About FEA Academy Maldives

Fitness Edutraining Asia (FEA) is an internationally recognized education provider specializing in professional fitness training certifications.

FEA courses are designed to:

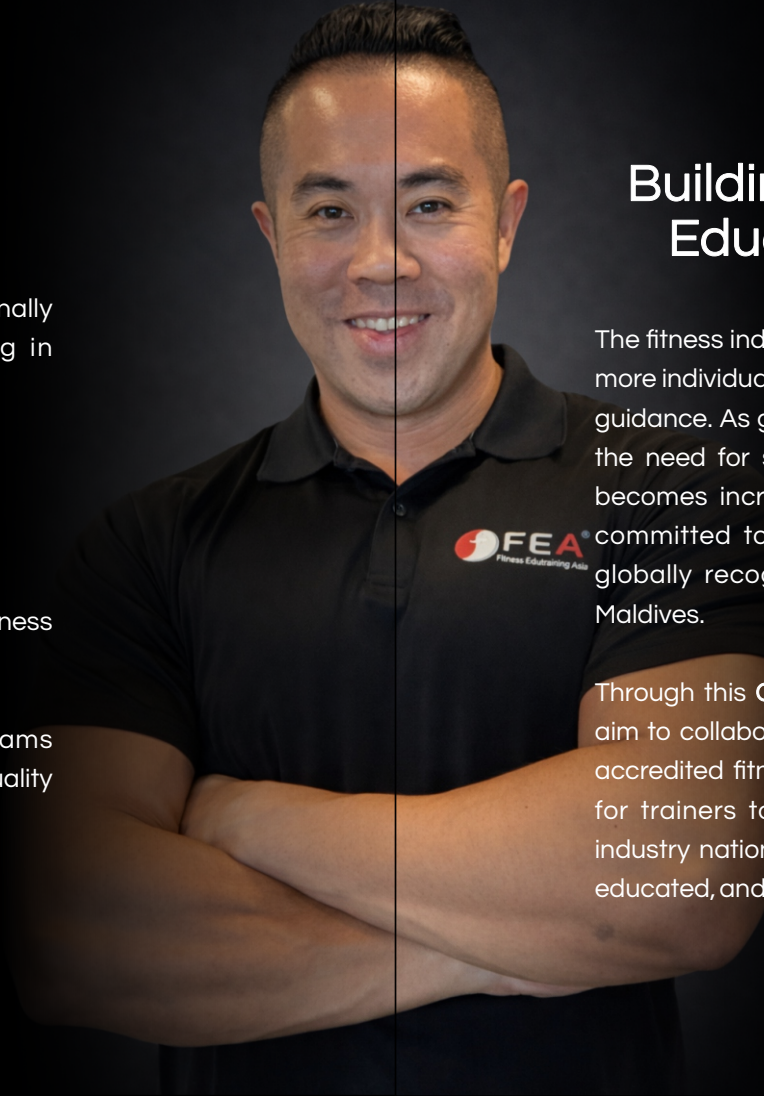

- Provide structured fitness education
- Develop professional coaching skills
- Improve safety and exercise technique standards
- Prepare trainers for long-term careers in the fitness industry

FEA Academy Maldives delivers these programs locally, allowing trainers to access international-quality education without leaving the country.

Building the Future of Fitness Education in the Maldives

The fitness industry in the Maldives continues to grow rapidly as more individuals seek healthier lifestyles and professional fitness guidance. As gyms expand and new trainers enter the industry, the need for structured, internationally recognized education becomes increasingly important. FEA Academy Maldives, is committed to raising professional standards by providing globally recognized fitness education programs within the Maldives.

Through this **Gym Affiliation & Course Hosting Partnership**, we aim to collaborate with local gyms and fitness facilities to host accredited fitness education programs, creating opportunities for trainers to grow professionally while strengthening the industry nationwide. Our goal is simple: Build a stronger, more educated, and more connected fitness industry in the Maldives.

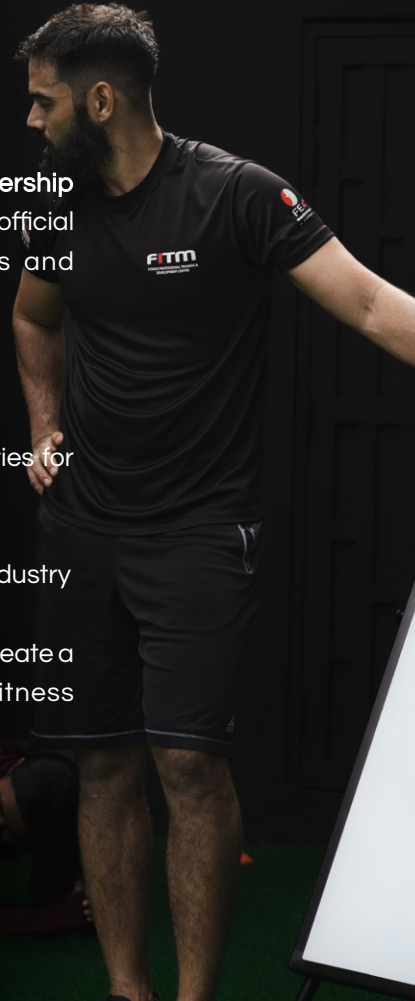

Purpose of the Partnership

The **Gym Affiliation & Course Hosting Partnership** allows gyms across the Maldives to become official FEA education partners, hosting courses and workshops within their facilities.

Through this partnership, gyms can:

- Host accredited fitness education courses
- Provide professional development opportunities for trainers
- Generate additional revenue streams
- Strengthen their reputation within the fitness industry

This initiative is part of our broader mission to create a nationwide network of gyms supporting fitness education.

Our Vision

The long-term vision of **FEA Academy Maldives** is to build:

- A national network of fitness education partners
- A community of highly trained fitness professionals
- Greater access to professional education across islands

Through collaboration with gyms and trainers, we aim to create a unified fitness industry that prioritizes professionalism, knowledge, and growth.

Why Partner with FEA Academy Maldives?

Becoming an **Official FEA Education Partner** provides several benefits:

Industry Recognition

Partner gyms are recognized as facilities that support professional fitness education and trainer development.

Revenue Opportunities

Hosting courses allows gyms to benefit from additional revenue through venue partnerships and educational events.

Increased Visibility

Partner gyms gain exposure through FEA Academy Maldives marketing campaigns, social media promotions, and course announcements.

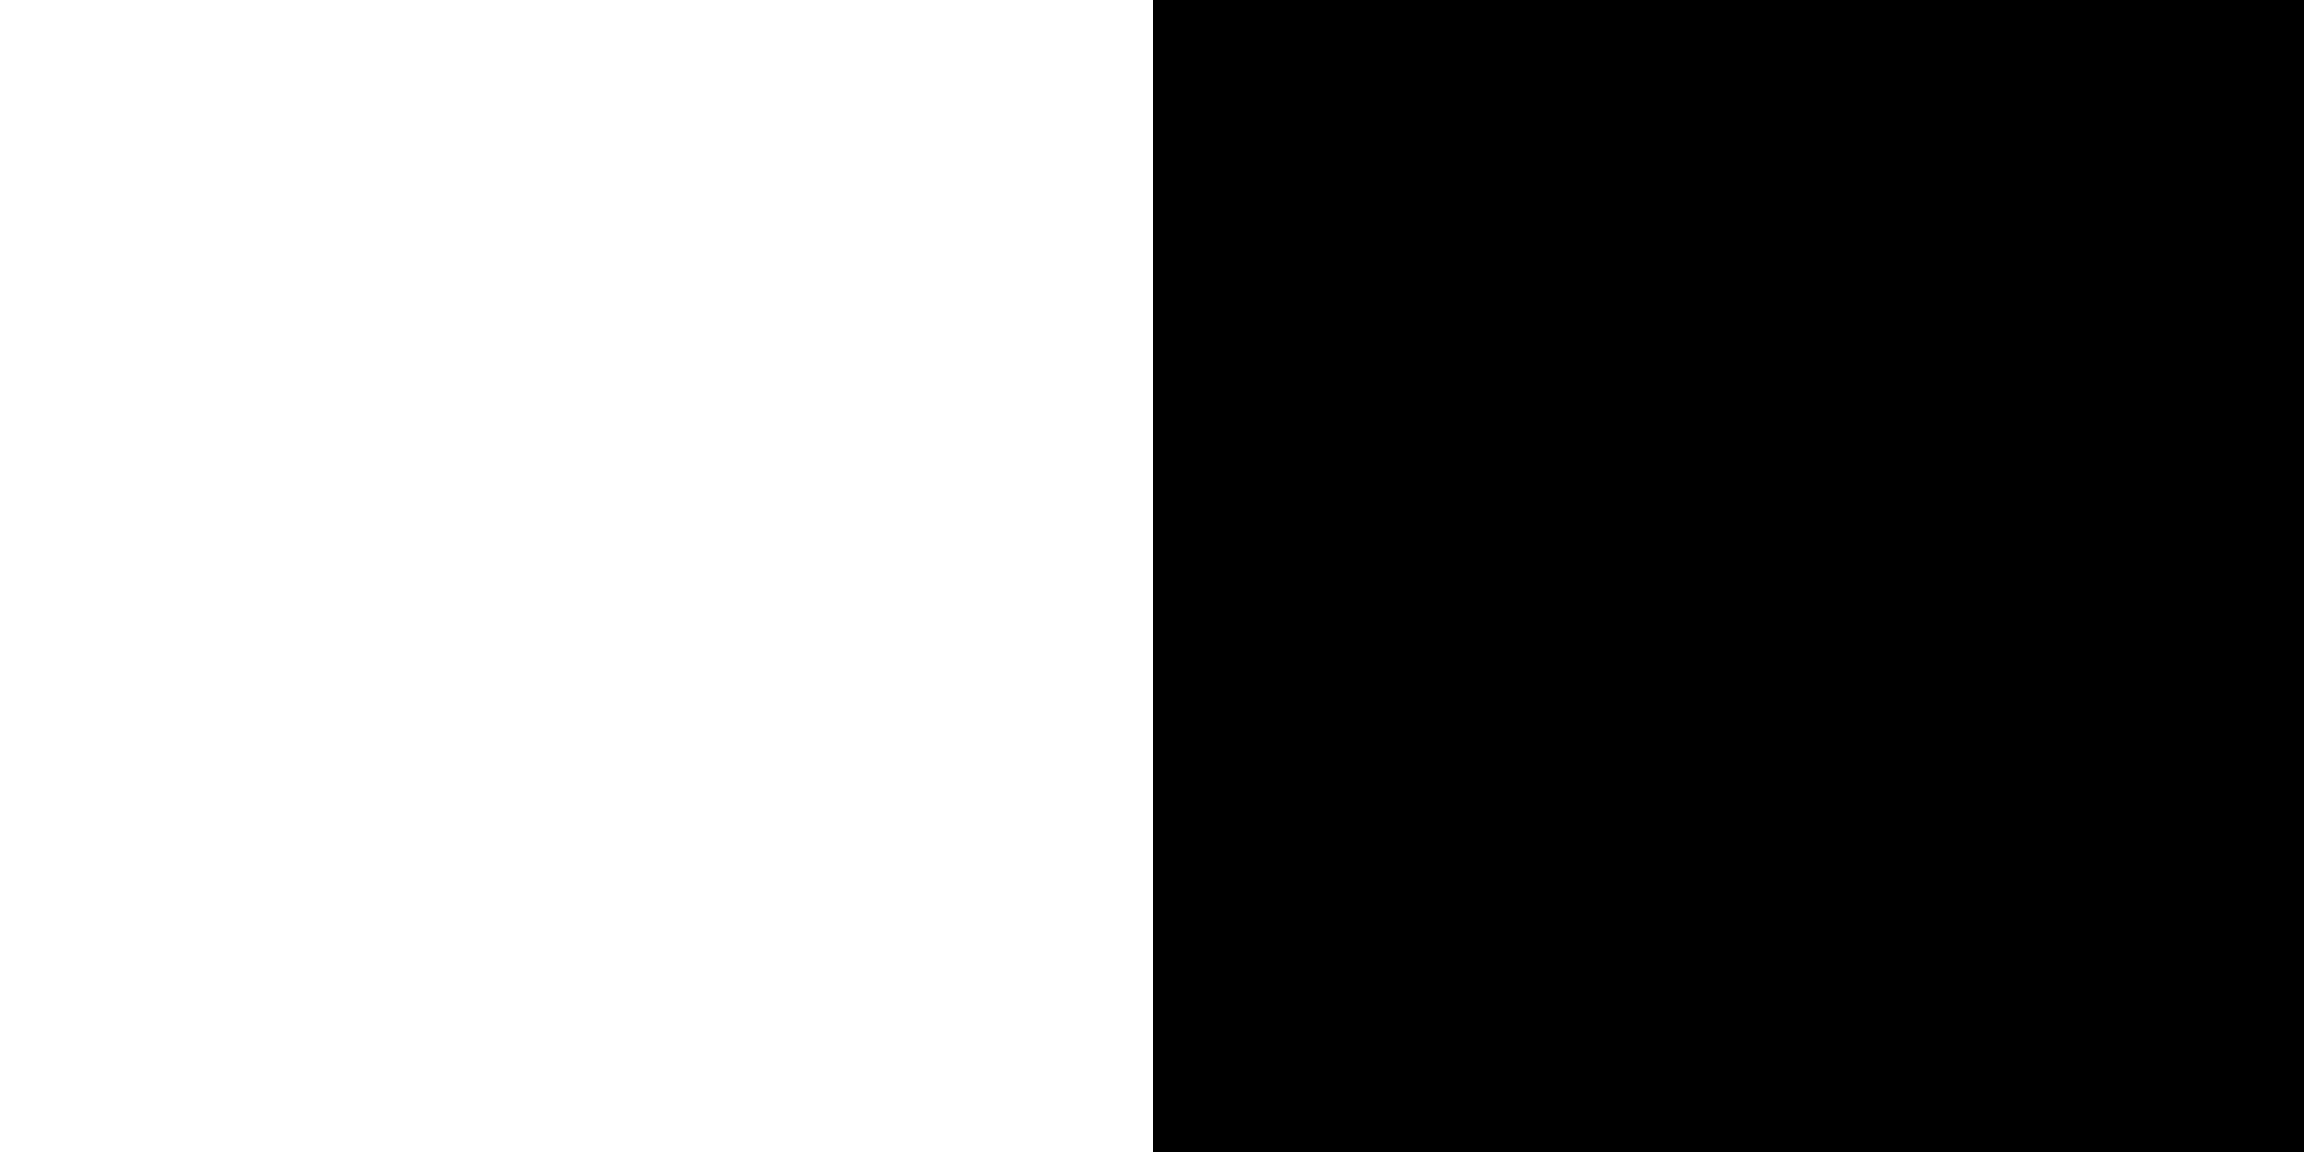

Professional Development

Gym staff and trainers gain access to educational opportunities that enhance their skills and knowledge.

Industry Leadership

Partner gyms become part of a national initiative to elevate fitness standards in the Maldives.

Building Local Edutrainers

At FEA Academy Maldives, we believe that the long-term growth of the industry depends on developing local fitness educators. Through our Edutrainer Development Initiative, we aim to identify experienced Maldivian trainers who demonstrate the potential to become future educators within the fitness industry. Selected trainers may have opportunities to:

- Participate in instructor development programs
- Receive mentorship from senior FEA educators
- Assist in delivering educational workshops
- Progress toward becoming certified FEA Edutrainers.

If you are a trainer who demonstrates strong leadership, coaching expertise, and a passion for educating others, FEA Academy Maldives is ready to help you become one.

Invitation to Partner

We invite gyms, trainers, and fitness professionals who share our vision to join us in building the future of fitness education in the Maldives. Together, we can create a stronger, more connected fitness industry that supports the next generation of trainers and coaches.

If your gym is interested in becoming an **Official FEA Education Partner**, we would be delighted to discuss the opportunity with you.
